Public Relations Team

- 🛠 Headshots
- 🛠 Typing Bios
- 🛠 Locker Signs
- 🛠 Dressing Room Signs
- 🛠 T-Shirt Pick up/Distribution
- 🛠 Poster Distribution

How Do I Get Involved ?

Check out the Pendleton Players website at www.pendletonplayers.com and click on the SPOTS link. It will provide you with the most current information regarding Work Day opportunities. Maybe you want to just volunteer for an activity or an event, or offer your expertise in an area. Then just call the auditorium or drop us an email at spotsphhs@aol.com . You can also get on the Text list and receive a text when activities are happening. Then you can drop in for a little while and help.

Work Days are usually 10:00 a.m.- 4:00 p.m. on Saturdays. Feel free to drop by spend an hour or spend the day. We usually bring in food around lunch time so you won't get hungry.

Remember, NO skill is required! We always have things to iron or paint or craft or build. We promise you will have fun helping these kids and making some new adult friends.

**SUPPORTING
PEOPLE
OF THEATRE
STUDENTS**

SUPPORTING PEOPLE OF THEATRE STUDENTS

SPOTS was created as an organization to help provide adult assistance for many of our Theatre Activities. All of the productions in the high school auditorium, are typically run by students, however, it's always nice to have some adults around to lend their special expertise, skill or just help! We often have "Work Days" where adults can work alongside the students in creating theatre magic. We also found that some of the older alumni enjoy coming back to offer their assistance on these days as well. With this more organized group, any adult in the community who would like to help with the theatre program can volunteer. Students can do what they have always done, but with a little help from the talented adults who enjoy volunteering and helping out the school and the arts!

"Teams are available for every interest or skill"

Backstage Team

- 🎭 Set Construction
- 🎭 Prop Construction
